TRAINING AND PLACEMENT DEPARTMENT

Two-Week Internship Program for B. Tech III Year Students at St. Martin's Engineering College (SMEC)

To align with industry demands, **St. Martin's Engineering College** is conducting an **internship program** for **B. Tech III Year** students focused on **JAVA and its industry application**. This internship seeks to deepen students' understanding of Java, sharpen their practical skills, and provide hands-on exposure to real-world scenarios, ultimately broadening their knowledge and enhancing their career prospects in the industry.

The Two-Week Internship sessions are conducted Department-wise, as follows:

Forenoon: ECE and CSD

Afternoon: CSE

Topics Covered:

1. Control Statements and practice programs
2. Conditional Statements and programs on it
3. Looping Statements with example programs, methods, types and real time examples

Day: Tuesday

Date: 10-12-2024

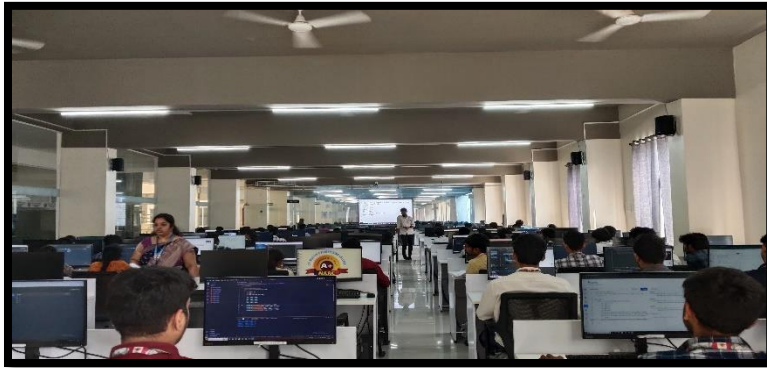

Venue: Subhas Chandra Bose Block

In today's live session, the trainers provided a comprehensive explanation of Control Statements, guiding students through various practice programs to solidify their understanding of the concept and its practical applications. They also focused on Conditional Statements, detailing their usage and demonstrating their functionality through carefully designed example programs. Moreover, Looping Statements were covered extensively, including an in-depth discussion on their methods, types, and practical use cases in real-world scenarios. The session was enriched with example programs to ensure clarity and foster an engaging learning experience for the students. Day 4 completed with active student participation, effective content delivery by trainers, and proper supervision by faculty.

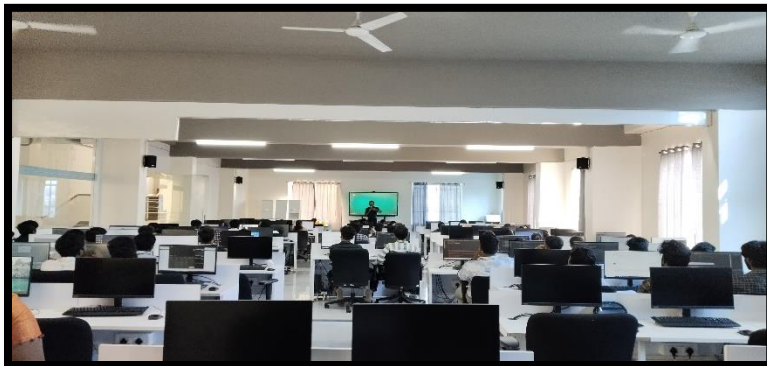

Talks by Industry Experts to the Students (Forenoon Session):

10-12-2024, 10:10 AM – 12:40 PM (ECE: Room No.7111)

10-12-2024, 10:10 AM – 12:40 PM (ECE: Room No.7112)

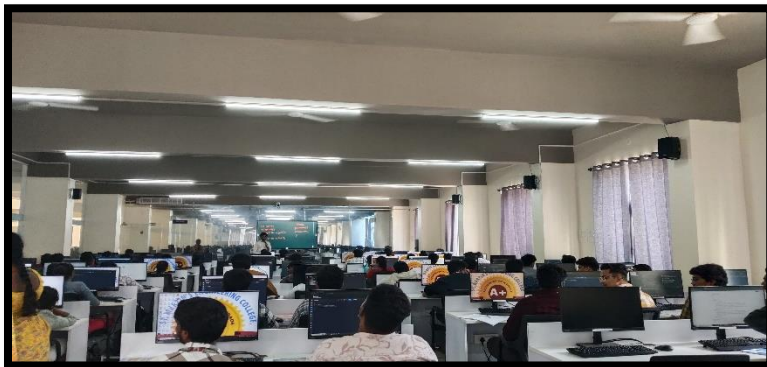

**10-12-2024, 10:10 AM – 12:40 PM
(ECE and CSD: Room No.7311)**

Talks by Industry Experts to the Students (Afternoon Session):

10-12-2024, 1:20 PM – 3:50 PM (CSE: Room No. 7111)

10-12-2024, 1:20 PM – 3:50 PM (CSE: Room No. 7112)

10-12-2024, 1:20 PM – 3:50 PM (CSE: Room No. 7311)
