TRAINING AND PLACEMENT DEPARTMENT

Campus Recruitment Training for B. Tech IV year Students @ SMEC

It is **St. Martin's Engineering College's** customary to conduct **Campus Recruitment Training (CRT)** every year for B. Tech III year students to enhance their skills in alignment with industry requirements. SMEC offers top-notch training, utilizing the Knowledge of experienced industry professionals. This training covers essential areas such as Coding proficiencies demanded by Multinational Corporations, Communication skills, Logical thinking, Problem solving, Interview preparation, Resume building and understanding employer expectations.

The CRT (Quantitative Aptitude and Verbal Reasoning) sessions are conducted for all Departments, as follows:

Topics Covered:

1. Group Discussion etiquette and interview behavior
2. Ages and various problems
3. Averages and different solving methods

Day: Sunday

Date: 27-10-2024

Timings: 4:00 PM to 6:00 PM

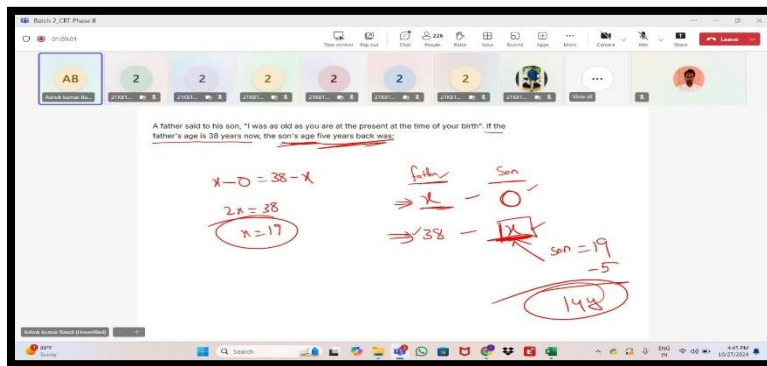

Venues: Online (Microsoft Teams)

In today's online session, trainers focused on essential group discussion etiquette and interview behavior, equipping students with the skills to communicate effectively and present themselves confidently in professional settings. The session also covered age-related problems, exploring various types of questions and approaches to solving them accurately. Additionally, trainers introduced the topic of averages, demonstrating different methods for calculating and interpreting averages in diverse scenarios. This combination of soft skills and quantitative problem-solving provided students with valuable tools for both professional interactions and analytical reasoning. Day 7 wrapped up successfully, marked by enthusiastic student participation and attentive supervision from faculty members
